Renovations, Inc.

Clark Renovations is a family owned, full service remodeling firm based in the South Hills of Pittsburgh. "We've been making our customer's dreams come true for more than four decades," says Steve Clark, the company's general manager. "For 42 years we've worked very hard to make sure our customers were delighted with their home improvement projects."

Exciting changes are on the horizon at Clark. Until this year (2012) Clark has focused their efforts on the South Hills, but they are branching out from their home territory and are now serving the Greater Pittsburgh Metro suburbs. "Kitchens and Baths are our forte and with our cabinet partner, Schrock's of Walnut Creek, we can offer unparalleled quality at competitive prices," claims Clark. Now Clark Renovations' goal is to make their services and products available throughout Pittsburgh.

They have developed relationships with some of the finest manufacturers, distributors & trade partners to insure what they sell lasts a lifetime. Currently at 14 employees, Clark has the resources available to make certain your project is started on time, runs smoothly, and finishes on schedule. "We have a fantastic customer base of very loyal clients who recommend us often," says Clark. 80% of their business every year comes from repeats and referrals. In order to keep that number where it is, Clark Renovations focuses on communication, cleanliness, and quality.

Clark's customers asked for straight answers, honest pricing, and a simple design and selection process. In response, their 8 step design/build process was developed:

- (1) Upon your inquiry, we'll schedule the initial consultation where we spend time gathering your input and developing the concept.
- (2) We'll part ways and use the information you provided to make base selections, develop specifications, and create a budget estimate.
- (3) About a week after the initial consultation, we'll meet to present the project, specs, and budget.
- (4) Utilizing your time frame, you approve the concept, sign the contract, and submit your deposit.
- (5) We'll have you back in the office to make final selections.
- (6) We take care of applying for, and obtaining, any required permits.
- (7) We'll hold a pre-production meeting where we'll schedule a start date.
- (8) We then simply start the project on the start date provided you.

Once you become a customer, Clark Renovations offers services not available to the general public. Their Specialized Services Division offers a very unique solution to all your home maintenance needs. With one call, you can have your "to-do" list completed quickly, correctly, and with the same attention to detail Clark's reputation has been built on. In addition, they've worked with their suppliers to extend special discounts to existing customers.
